

About us

We are a two decade old agency in the field of human resource development which is engaged in empowering individuals through Quality Management, Leadership Development and Soft Skills Trainings (On Campus/ Off Campus/ residential/ Out Bound/ Online Interactive Web Conferences/ Webinars), Youth symposiums, Motivational Sessions, Personal, Business & Executive Coaching. We customise and deliver trainings that impact the quality management, leadership development & behavioural improvement for organisational excellence.

Our clients belong to various govt. entities, public sector undertakings and academic institutions. Our sessions expose the individuals to the high and lofty ideals of an effective, joyous, healthy, and fulfilling life. Our interventions enrich the intellectual and emotional dimensions of the participants and help them develop a new thought process that brings all round excellence in their endeavours in discharge of organisational duties as well as in their personal arena.

We have trained more than 68,000 professionals and youth in India (across 23 states) and Africa, over the last 22 years. We are proud to share that each and every trainer at Dimensions Education is a person of extraordinary commitment and highly passionate about growth and development of oneself and others.

Today we face rapidly changing environments that increasingly require us to reinvent ourselves. The conflict within is manifest in rapidly growing figures on burnout and depression, which represent the growing gap between our actions and who we really are. We are privileged to be instrumental in assisting individuals and organisations to presense, inspire, and create a future and culture for their system that values the development and well-being of all.
